For a relaxing interlude
« Sea & Sun » from NUCCA : 50min* - 290€

This face and body massage provides a wonderful sense of relaxation and allows to relieve all the muscle tensions.

Made with a serum based on sea buckthorn oil, rich in antioxidants, tomato seed oil for a good-looking effect, and with aloe vera for a perfect hydration, this massage restores your skin elasticity and tone. It contributes, along with the «Huile du Soleil à la Figue», to accelerate, fix and prolong the tan's radiance.

For a tonic and regenerating interlude

« Mélodie des vagues » from NUCCA

50min* – 290€ ou 120min* – 340€

The original association of a traditional face treatment and a «light legs» massage for a pure moment of wellbeing.

Ideal for sensitive skins with its fresh mist of hydrosol and rose sweet extract, it allows the complexion to regain its radiance. At the heart of the treatment, a powerful treatment based on freeze-dried apricot, a vitamin cocktail that promotes pigmentation and tanning. The epidermis is plumped, thanks to the action of a honey-based mask, wild rose and aloe vera gel, and a composition of regenerating essential oils (palmarosa, rosewood, hops, carrot). The skin looks visibly younger, full of moisture and vital energy.

Perfect for your legs to regain lightness, we also propose a wrap with cryogenised oshibori with peppermint hydrosol and a draining massage with cedar and niaouli tonic oil coupled with frost-free leg gel with nepita and wild mint.

All our Nucca rituals are personalized with the hand application of several essential oils and the tasting of a plant extracts drink according to your choice of treatment.

*Please be present 30min before your treatment. Relaxation time will be offered aboard the trimaran after your treatment.
